The Holy Spirit College ‘Z’ Club has recently finished collecting formal dresses and shoes to be sent to those families, in Barcaldine and Longreach, Central Queensland, affected by the drought.

The ‘Z’ Club, mentored by the Mackay chapter of the Zonta Club, fundraises and raises awareness for worthy causes affecting the local, national and international community.

The HSC ‘Z’ Club members wanted to help young women living in drought-affected areas, in Central Queensland, to have the opportunity to attend their Formals and Semi-Formals by collecting dresses and shoes that can be sent families in drought-affected areas.
